## November 2015 ECHOES Pastor's Pen

Notes from the field: As I write this I am still in Flagstaff. My older brother David and I spent 4 days hunting from before daybreak to nightfall. We hunted elk in the rain, hail, wind and mud for 4 days and got nothing!!! We got nothing that is except beautiful memories of ancient forests and extinct volcanoes. We saw what we believe was a wolf. I saw a perfect Prong Horn Antelope, and miniature rainbows. We saw 100s of squirrels. It was cold, and wet, and windy; but my brother and I reconnected in a human experience that is primordial. I found places where ancient Native Americans fashioned obsidian into arrow points for hunting. Hopefully they were more successful. The whole experience connected us to the past, the present and even to our faith.

As the light was fading on the last 30 minutes of today I began to think about why this activity is called “elk hunting” and not “elk catching”. Often times you come home with nothing but great memories of an activity well enjoyed.

Jesus invited his first disciples to become “fishers of men” as he invites you and me today. Note: he doesn't invite us to become “catchers of men” but “fishers”. There is a big difference. The success comes in participation in the activity of hunting or fishing, not the catching of elk or people. That is the bonus! We need to have joy in our work! Despite all the mud and rain and cold and wind and no elk, my brother and I enjoyed the hunt. We walked where people rarely walk and saw sights from mountain tops very few ever see and felt connected to the earth and history and God and each other.

We do experience the same when we fish for men and women for the Kingdom of God. Some days are rather successful and sometimes we go long stretches with nothing. It has been years since I got an elk. But we as Christians are successful when we simply invite. We throw out the hook of invitation to worship or study or singing or mission and watch for a response. Some respond immediately and we have great joy. Some take quite a while and this give us deep satisfaction and some we never land, but we keep fishing! We keep inviting.

Over the next year I will speak of People of Peace. These are people we look for to build a relationship with and invite them in. These are the ones ready to be caught. We need to just keep fishing until we find them. As we keep fishing we will experience a deeper connection with God with each other and the new friends, the People of Peace God brings into our lives.

From the field!

Pastor Fred

PS. November is a busy and exciting month! All Saints Day, Consecration Sunday, a new Member luncheon, a Fine Arts event, and Thanksgiving followed closely by Advent and Christmas. Looking to celebrate all this and more with you!

**VISTA FINE ARTS invites YOU...**

... to participate in a unique and exciting event on Sunday, November 15, when we present **Guy Atchley's ARIZONA**. As many of you know, Guy is Tucson's award winning journalist, celebrating 31 years as anchor at KGUN 9 News On Your Side. He will share years of fascinating stories, quips and photos in his own humorous, engaging style. Guy's presentation will begin at 3:00 p.m.

Add to the excitement of the day, and come early to enjoy our **VISTA ARTISTS SHOWCASE**, featuring the works of some of Vista's finest artists including painters, potters and photographers. The show will open at 1:30 in Ed's Building, close at 2:45 for everyone to attend Guy Atchley's ARIZONA, and then re-open until 5:00 p.m. Some of the artwork will be for sale. Meet and chat with the artists and perhaps find that perfect holiday gift..

Guy Atchley has become one of Tucson's premier photographers, with over 40 years in television journalism. As winner of several awards for excellence in broadcasting, he was inducted into the Arizona Broadcaster's Hall of Fame, along with people like Steve Allen, Rex Allen, Waylon Jennings and Joe Garagiola. Guy spent each Labor Day as Tucson host for the Jerry Lewis Muscular Dystrophy Telethon, and counts the comedian as a good friend and mentor. Lewis writes: "Guy Atchley's 'good news' stories reflect devotion to his community, and to the human community, making him a great newsman and a close ally of mine." Guy always seeks out stories of inspiration and humor -- the small, quiet stories behind the lives of real and honorable people. Basketball Coach Lute Olson says: "I applaud Guy Atchley for focusing on what is good in our world." And author Amy Weintraub says of Guy: "Journalistic integrity, insight and compassion underlie the heartwarming journey of his life." On November 15, YOU will have an opportunity to meet and visit with Guy and to enjoy his amazing photography. He will also be displaying several of his beautiful images for sale.

This celebration of visual art promises to be one of the highlights of the year for Vista Fine Arts. Admission is free. An offering will be taken. All are welcome, so invite your friends to join you for this exciting opportunity. **Questions and information at 825-1985 or [www.vistaumc.org](http://www.vistaumc.org).**

## TUCSON HOSPITALITY INN FOOD PANTRY DRIVE

The Inn provides breakfast items and emergency food items for its guests. Beginning November 1 we are asking for donations for the Inn's food pantry. Needed are these specific items: *canned fruit, canned Chef Boyardee, Franco American, or Campbell's Spaghetti and Ravioli products, Progresso canned Chicken Noodle and Vegetable Soups, and packages of individual servings of cereal.* (Please no sugar cereals.) I have been unable to find the little rectangular boxes of cereal that aren't the sugary type, but there are available little cups of regular cereals like Cheerios, Raisin Bran, and Life. If everyone brought just one item listed, think how much we would have to give! When you're out shopping this month, please consider picking up some items for the Food Pantry Drive.

There is also a need for new or nearly new towel sets of bath, hand and washcloth. Please bag and label them "THI." There will be a box labeled for Tucson Hospitality Inn in the Narthex for your donations.

*Thank you in advance for your generosity!*  
*Kay Gragg, THI Team Leader*

## WESTERN CHUCK WAGON DINNER

**Vista's United Methodist Women are planning a WESTERN CHUCK WAGON DINNER on Friday,  
November 13th at 5:00 PM.**

**Tickets will be sold starting Sunday October 25<sup>th</sup> on the Patio.  
Menu and other info to follow**

**Meanwhile (back at the ranch) So Dust Off Your Western Wear  
And don't forget to join us for dinner and Western Theme Entertainment.**

## **Hospitality**

I find for me that when our church starts “stewardship” process, I find myself evaluating my different stewardship levels in my life. It is a time for me to evaluate my physical stewardship giving to church. Is there more I can physically do for the church in the coming year. If you do the same then please consider joining the hospitality team.

### **What does it involve if you join the hospitality team?**

Joining the hospitality team is not your typical team group. The following tasks listed are not required to do necessarily on a monthly or routine schedule but more on as needed bases.

The following task that you may be asked to do if you can at a specific time are:

#### **Sunday Goodies:**

- Take a Sunday once a month or so to stand at the sign-up board to encourage folks to sign-up to bring goodies
- Sign-up to be a hospitality partners which assist those who are doing Sunday goodies.
- Hospitality partner are there to see that the kitchen is left tidy.

#### **Memorial Service:**

- You may be asked to call specific folks to ask them to furnish cookies for the service.
- Helping out at the service to:
- Set-up choir room for the family to meet before the service
- Place goodies on trays
- Transport the goody trays and drinks out to the serving area for the family and guests
- Help tidy up the kitchen after the service

#### **Pot Luck Luncheons:**

- This is not an area that is a major part of hospitality but if you can assist in “pot luck” luncheon that would be great.
- Tasks that could be asked if you do sign-up are:
- Pull out serving utensils for the luncheon
- Prepare tables for folks to sit down to eat
- Make up cold drinks
- \* Help to transport food items to serving area

I would like to have many team members so I can rotate around members and not have to call upon the same members all the time. If you like to only volunteer for a specific event, then I would put your name down for those events.

*(Delores Brindle) at 520 907 5706 and/or e-mail: deloresjb@gmail.com*

## **New Memorial Service Coordinator Designee:**

I have volunteered to be the memorial service coordinator designee. We have not had someone who was responsible to coordinate every part of the memorial service. The service coordinating was spread between the pastor and the church secretary. This new position will help make sure the event flows smoothly and there is a contact person for any concerns and/or questions. Memorial services are an important function of our church. It is an event that means a lot to those who have just lost a loved one and want to make this service special for those attending.

I will be needing help during the memorial services. I will be there to assist as needed when you have signed-up to help. The memorial service process is just like serving Sunday goodies, no difference in general.

I hope that when looking at “stewardship” that you will call or stop by the Sunday sign-up table to tell me you would like to be a hospitality team member. Looking forward to seeing you on Sunday to sign-up or you can contact me at

*(Delores Brindle) at 520 907 5706 and/or e-mail: deloresjb@gmail.com*

## **TUCSON HOSPITALITY INN**

Beginning November 1 we are asking for donations for the Inn’s food pantry. Needed are these specific items: canned fruit, canned Chef Boyardee, Franco American, or Campbell’s Spaghetti and Ravioli products, Progresso canned Chicken Noodle and Vegetable Soups, and packages of individual servings of cereal. (Please no sugar cereals.) I have been unable to find the little rectangular boxes of cereal that aren’t the sugary type, but there are available little cups of regular cereals like Cheerios, Raisin Bran, and Life. If everyone brought just one item listed, think how much we would have to give! So when you’re out shopping this month, consider picking up some items for the Food Pantry Drive. There will be a box labeled for Tucson Hospitality Inn in the Narthex for your donations. Lou Tompkins, Manager, provides breakfast and emergency food items to guests who need them and our donations will help make it possible to continue this practice.

Lou also has a need for new or nearly new towel sets—bath, hand, and washcloths. These items get heavy use and wear out quickly. Please bag and label these for “THI.”

On September 23 Pastor Fred, Dee and Rick Berman, and I went down to the Inn for Pastor Fred to meet with Lou and tour the facility. I was glad Pastor Fred could see the wonderful work that Lou does and see another of our mission projects.

*The Inn has been very busy for the month of October. Staying as guests as of mid-October were Nadia from Egypt who continues her treatment; Mike and Coleen from California whose 40 year old daughter, April, is critically ill with an aneurysm; Dave and Joanne from Casa Grande whose daughter, Julie is critically ill on life support with heart disease. Julie is in her thirties; Raphael and Guadalupe from Agua Prieta, Mexico whose son, Roberto, is critically ill due to quad accident and is in a coma. Roberto is in his early thirties; and Larry and Deborah from Sierra Vista. Larry has throat cancer. I ask that you keep these guests and their loved ones in your prayers.*

## SNAK PAK

As we continue another successful year of the Snak Pak program, I would like to recognize and thank the volunteers from Vista who have helped with the Snak Pak during the years I have been the coordinator.

*Edna Alligood, Don August, Bill and Dixie Ayers, Shirley Byrd, Alan Campbell, Betty Frieberg, Florence Duckett, Bill Goins, June Guptill, Joanne Harrington, Lew Hartz, Marsha Hartz, Dennis Higgins, Peggy Higgins, Dan Jones, Sandy Kaper, Bernie Kenny, Anna Marie Marsh, Art Piper, Marvin Rupe, Bob Sherman, Donna Snyder, Elizabeth Vaughan, Carol Witt, Dillis Ward.*

During 36 weeks of the school year, Vista and Santa Catalina Catholic Church provide Snak Paks for children at Coronado K-8 School who have been judged to be nutritionally at risk, particularly over the weekend. Volunteers from Vista pick up the food in bulk at the Community Food Bank of Southern Arizona and deliver it to Vista, where volunteers from Vista and Santa Catalina assemble it into Snak Paks, which are delivered to the school on Friday morning and distributed to the students at the end of the school day. This year Santa Catalina has approved providing funding for 10 more students, so we are providing 60 Snak paks each week. The cost to Vista this school year is \$4,000 and to Santa Catalina \$5,500.

## Mission Outreach Ministry

At this writing we are preparing for our trip to our sister Church, *Fuente de Vida in Agua Prieta, Mexico* for our annual Celebration of Learning Festival. Last week *Pastor Gela & Associate Pastor Armando*, Youth Director Alejandro and College student Jose came in Jose's pickup (see picture) and collected all the materials we have packed and took them to Agua Prieta in preparation for the Festival. We had a great packing day at our last Mission meeting in Oct. and I want to thank *Benith MacPherson, Robin Connor, Giff & Alice Tompkins, Rex & Sheri Wyland, Kay Gragg, Jan Bohe, Dennis Kimmel & Judy Thomson, Duane & Marilyn Waldo, Ken & Jan Hopke-Almer, John Crown, Susan Mawhinney and Polly Meyn* for their great help in getting all our supplies sorted and packed. It was a huge job well done by all. Now on the 31st we will unpack it all in Agua Prieta. At this writing we have 38 passengers on our bus who have signed up for the trip and of those 20 are first timers. I also want to thank Robin Connor for taking the 40 Certificate of Achievement I made up, and shopping for the frames and then framing them all. John Crown has organized the games and *Debbi Moloid* will be our game leader for the Festival. Benith MacPherson and Jan Hopke-Almer will run the craft tables. Duane and Marilyn will run the prize room. Everyone will have a job to do at the festival. We could not do this event without the help of all of you good folks of Vista. I will be translating Pastor Fred's greetings from Vista and introducing the students to the sponsors that are going with us. These children love to meet their sponsors and I know it is a thrill for the sponsors to meet them too. You will have a full report next month about the trip. Once again many thanks to all of you that have helped and made donations for this very special event in the life of our Sister Church Fuente de Vida!!!

The Month of Dec & Jan will once again be our Warm Winter month for Impact in Catalina so save your warm clothing items and bedding to donate in Dec. The refurbished Senior Center in Catalina will be up and fully running soon so please see team leader Benith MacPherson report for more info.

We have a special food and towel drive this month for Tucson Hospitality Inn. Please see team leader Kay Gragg report for more Info.

I have received a new shipment of cards for All Occasions, Thanksgiving and Christmas and will begin sales in the narthex on Sunday Nov.8th. These handmade cards are made by the women's Co-op of Fuente de Vida, from your used cards and are just lovely. They sell for only 50 cents and are a real bargain, and they make lovely gifts too. I will have some great gift bags ( 50 cents) for the cards in many colors that will hold a dozen cards for gifts.

Our next Mission Outreach Ministry meeting will be on the 4th of November at 1:00 PM in Ed's Building. We are inviting all of you to come and hear the great reports from our folks who went to Agua Prieta. It is always a blessing to hear from those who go on these Mission trips about their experiences. You will not be disappointed. Thank you again for making this Mission Ministry at Vista, thrive and bless the lives of those we all serve in Christ's name.

## STEPHEN MINISTRY

Stephen Ministry is a program of Vista's congregation that equips lay persons to provide distinctively Christian one-to-one care to individuals who are experiencing all kinds of life needs and circumstances, both in our congregation and surrounding communities. The Ministers are commissioned after 50 hours of training and then participate in monthly peer supervision and continuing education programs. It does not replace other care ministries at Vista such as the prayer chain or the Intercessory Prayer Team nor does it replace our pastor's on-going pastoral care. Stephen Ministry provides Christian care to more people than the pastor can reach by himself. Stephen Ministers provide confidential care to persons based on their needs for extended periods of time.

Since 1975, more than 600,000 Christian men and women from all walks of life have trained and served as Stephen Ministers. Most became a Stephen Minister as a way to help others who were hurting—but they quickly discovered that God blesses them in amazing ways in return.

Here are several testimonies of the impact of serving as a Stephen Minister:

“With God's blessing, a Stephen Minister is called to encourage and to help others. Training in a unique One-to-One ministry, provided by Lay Stephen Ministers and Pastors, has allowed me an opportunity to reach out in love, to listen, and to walk along to help bear another's burden. Jesus said. ‘As I have loved you, so you must love one another.’ John 13:3b

This ministry of compassion is why I find such great joy knowing that Jesus is the ‘*CUREGIVER*’ that leads to the best possible care for my care receiver.”

--Sharon, Vista Stephen Minister

“Being a Stephen Minister has meant my being more aware of the “human condition” and how interconnected we really are; it's meant I continue to gain a better understanding of God's love for us, and of how He works in our lives each and every day; it's meant trying to better reflect God's love to others and to more clearly see that love reflected from others to me.”

--Louise, Vista Stephen Minister

## From StephenMinistry.org:

*“Being a Stephen Minister has been a blessing in so many ways. It’s drawn me closer to God. It’s allowed me to be Christ’s presence to another person—an amazing feeling. And it’s made me part of a loving, caring family of Stephen Ministers and Stephen Leaders who support each other in their ministry.” --Frank, Stephen Minister (U.S. Navy (Retired)Ballwin, Missouri)*

**Vista de la Montaña UMC is currently recruiting for Stephen Ministers for our congregation. We really need a “few more GOOD men” to serve our male care receivers. Please consider this dynamic ministry and the opportunity to serve others as they walk through their challenges and trials in life. You will be BLESSED and forever changed! Speak to Stephen Leaders: Karen Rice (520) 370-6408 or Bernie Kenney (520) 825-9404 or to any of our Stephen Ministers.**

## UNITED METHODIST MEN

Life is good! It is better when shared around other people who hold common values and similar purpose. Isn't this what church life is all about? As Christians we can easily say we have purpose and values because we point to those teachings and rituals surrounding us. Frankly the United Methodist way is fairly generous in blending living your life and making less rigor of religion. It's a good deal. For me, I'm sure tickled pink I wandered in 7 years ago. My wife is a life long United Methodist so for her "wandering in" was more like coming home. Well we are both very happy here and we wish for every one else to be happy and for Vista to grow with more equally happy people.

Growing is a group effort. It takes a few forces to make growth happen and to sustain it. Helping out is a good start. Any Vista member wishing for a helping mission need look no farther than their own self. It is so simple. Invite a friend to church! That's it. That is the whole gist of the matter. When you invite a new person to Vista you may rest assured they will be greeted (heck it's almost a gauntlet). They will be fairly comfortable depending on the deva spirits in the AC system. And they will be treated to a first class choir and Sunday service. Can't beat that. Also there are usually snacks and fellowship afterwards. Where else to spend 90 minutes on a Sunday morning and have such satisfaction?

The Vista experience is growing rapidly. We have turned a corner to the positive. Things are working well and in concert. An engine has to fire on all cylinders to run smoothly. A social network is much the same. It works best when everyone works well. To work well all people need to work together and no one should feel excluded; this isn't a clique. Vista is humming nicely these days and it is a blessing for us. Let's pretend the Crystal Cathedral had 10,000 members. Vista has about 450. How did CC get so many more than we ? The answer is simple, one at a time. Yes they had a dramatic structure in a hill. We have the hill; the structure simply takes more hands and contributors. One at a time might be a motto. Ask a friend to church, one at a time.

Participate in your church. Be a twice a week member. Once a week is Sunday. Serve on a committee. This increases your commitment and fellowship is the reward. When you "work over" doors open. Believe this. There are opportunities to serve right here at Vista. Everyone reads their bulletin, the next step is to take it to heart. This is a guideline for opportunity. It's the how to pamphlet for participation.

Men, stop by a UMM meeting on the first Saturdays of each month. UMM isn't a club, no one joins, we just show up and participate. We get a lot done around too. Our mission, if you will, is to make the Vista campus a prettier, safer, nicer place. It is a good thing!

**Sincerely, Jim Bless UMMP**

## CHILDREN, YOUTH AND FAMILY NEWS

Fall is here with some cooler temps, but we here in the **CYFM** Committee are in the midst of a flurry of activities. At the Sept. 27<sup>th</sup> service **Shirley Miller and Barbara Johnson** introduced our children and youth to the congregation. Everyone sees them go up for *Pastor Fred's Children's Moment*, but no one really knew anything about them, so we decided to let everyone get acquainted with our "treasures". From our two 18-month old members to our 15 year old member, we introduced each one with their names, interests, hobbies and achievements. The congregation enjoyed meeting them so much that they requested name tags for each of them so they can start addressing them by name. The older Youth stayed in the service and helped with the collection plates and with serving the snacks after the service. They fully enjoyed being a part of the service, and hope to do more (like help with communion) in the future. Their next big event was on Oct. 25<sup>th</sup>, when Barbara Sherman organized a "Trunk or Treat" in the parking lot right after the service. Thank you so much, Barbara!

At our **CYFM** meetings, we will be asking the children and youth to celebrate Thanksgiving by choosing a mission project to work on. They have learned in Sunday School that God gives us all unique gifts and talents, and they can use theirs to do God's work by giving to others. We also have Advent approaching, and at Pastor Fred's suggestion, they will be participating weekly in the services leading up to Christmas. We are also working on the program they will present during the Family Christmas Eve Service.

We are also working on plans for the remainder of the year and into the summer with VBS, which will have a twist to it this year. Stay tuned!

*Blessings, Barbara Johnson CYFM Team*
