

Getting Involved

After the February 18 luncheon, people were asked if they would be interested in participating in the following aspects of this ministry. If you were not present at the luncheon and would like to be involved, please send me an email letting me know which of the following you would like to be part of. Email me at vistagale@gmail.com. Thanks! – Gale Hall

Developing the ministry

- Website design and enhancement
- Developing marketing materials for Vista Online
- Logo Design for Vista Online – graphic artist
- Community Fun Day event in Copper Trail fellowship community
- Other fellowship site “get to know each other” events (blessing of the animals, reading to children, making cards for children in the hospital, etc.)
- Online children and youth ministries
- Videography – Videotaping people who need to make pre-recorded announcements for livestream and our website and Facebook pages and/or creating video montages
- Photography - Taking photos and/or creating montages for of Vista campus and events for our website and Facebook pages

Rotating Teams for ongoing implementation of the ministry

- Livestream production - cameras
- Livestream production - audio
- Chat hosts
- Vista Online prayer team
- Vista Online Stephen Ministers
- Fellowship planting team in our Copper Trail community
